Please answer the questions below based on your experience in this class using Seesaw to comment on your classmates' photography work. Check off the box you feel answers the question best.

No.	Question	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
1	It was easy to upload photos to Seesaw.					
2	It was easy to scroll through the photographs and add comments.					
3	I enjoyed viewing the photography work of others in my class.					
4	I enjoyed commenting on the photography work of others in my class.					
5	I enjoyed seeing what others wrote about my photographs.					
6	The rubrics helped me to know what to write about in each photograph.					
7	The rubrics helped me add more details to my comments.					
8	The rubrics helped me to think more critically about photography when I commented.					
9	I felt comfortable in the process of commenting on the work of others online.					
10	I prefer doing online art critiques rather than discussing photography as a class discussion.
